16th Apr 2021

Sahaj Water Bodh Campaign and Udaykal Foundation Day 9

A total of 10 sessions and a book will be given to Bhujal practitioners who attend daily.

Topic - Reality of water management in Maharashtra

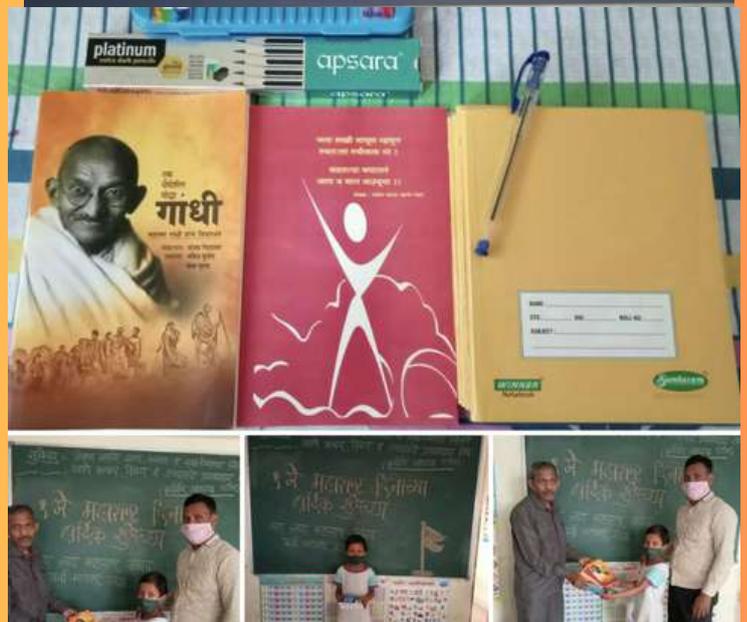

1st May 2021

The Covid-19 pandemic has completely diminished education for the past one year. Today on the occasion of Maharashtra Day, the institution took responsibility for the education of a girl.

Many lost their jobs today. Education is being neglected. Education is important in view of the future.

The educational materials needed by the children to avoid deprived of education.

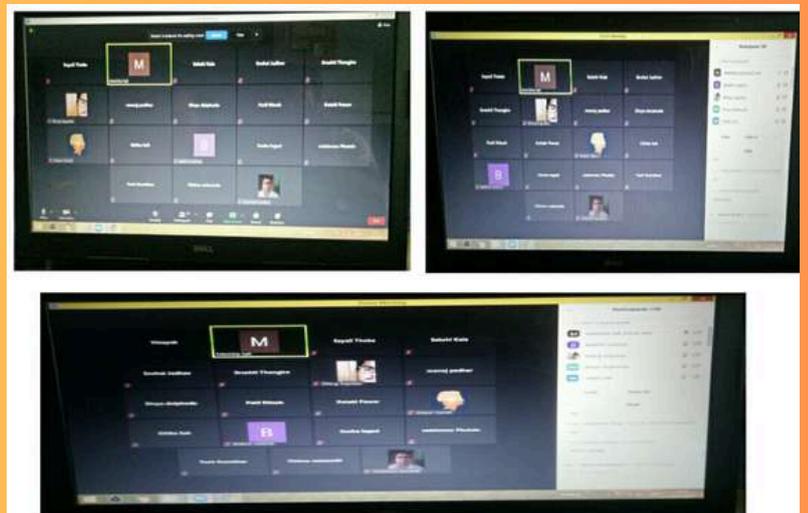

13th May 2021

Today Financial Literacy 1st batch started.

Most of the students don't know about Financial Literacy but today they were gain knowledge about financial Literacy.

They have really enjoyed the session and they were actually excited to come to class everyday.

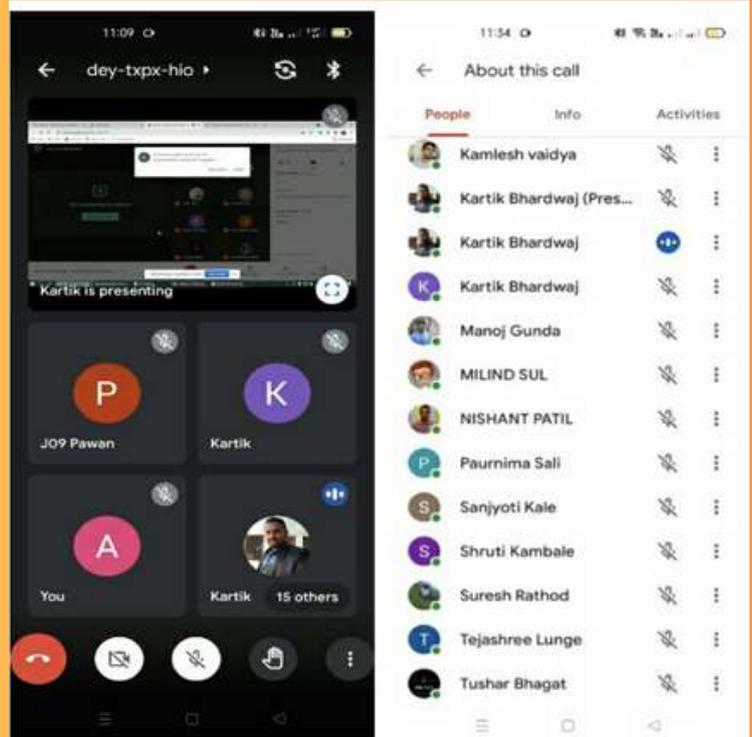

15th May 2021

Last day of cyber security study class.

22 children were present in this class. Learned a lot about information technology safety.

Cyber security is the need of the time. Hence the 3 day course was useful for students.

In the era of information technology, many wrong things also happen. This is why many incidents happen. It is important that you stay aware of it today.

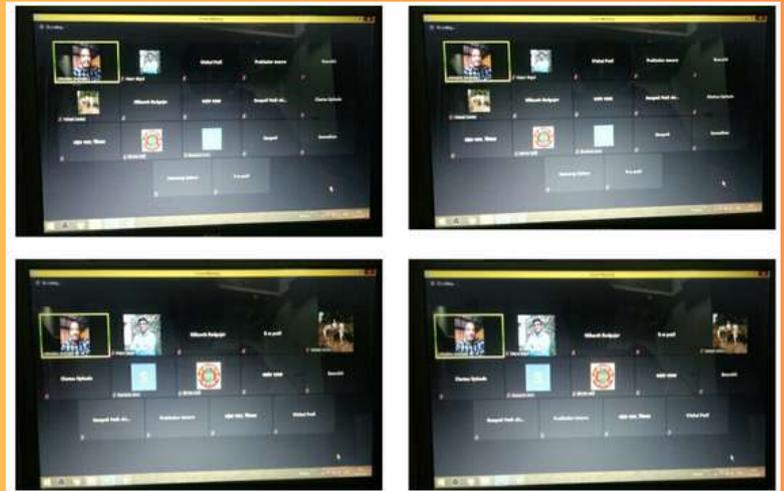

17th May 2021

8 batch of curriculum classes started under Sahaj Jalbodh Abhiyan.

It is necessary to acquire technical knowledge first for technical work in the water sector.

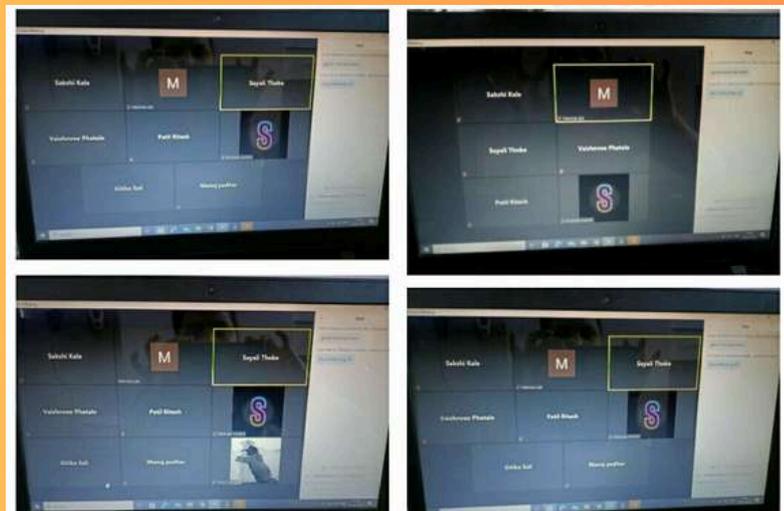

Many of those who completed the course today attended this course class.

19th May 2021

Today the first batch of the Certificate Course of Financial Awareness course completed. The course was started for a total of seven days.

Students thought it was necessary to have financial literacy. Information about government scheme should be known. Everyone understood how financial transactions should be done carefully.

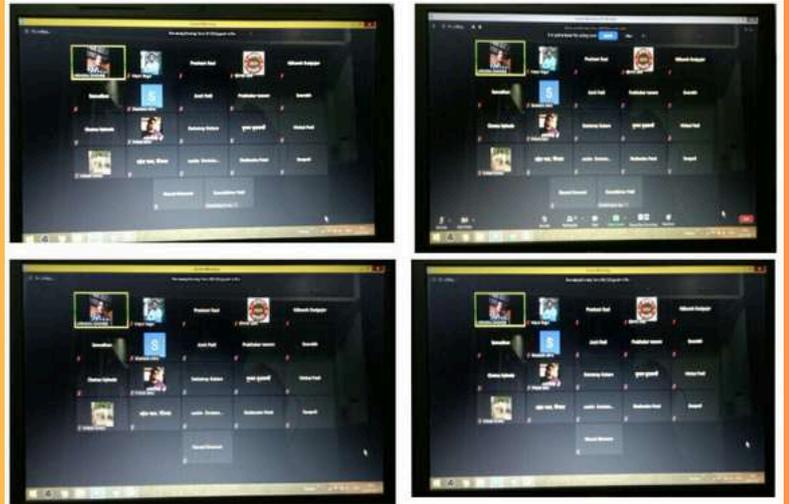

20th May 2021

Information about ground water was given in the course class under the Sahaj Water Bodh Abhiyan.

It was explained what concern should we take regarding total ground water. We should be aware of the water resources, drains, fodder.

Understanding the river system and construction in the blue line field of the river means ending the existence of the river.

In fact, we should understand and use water.

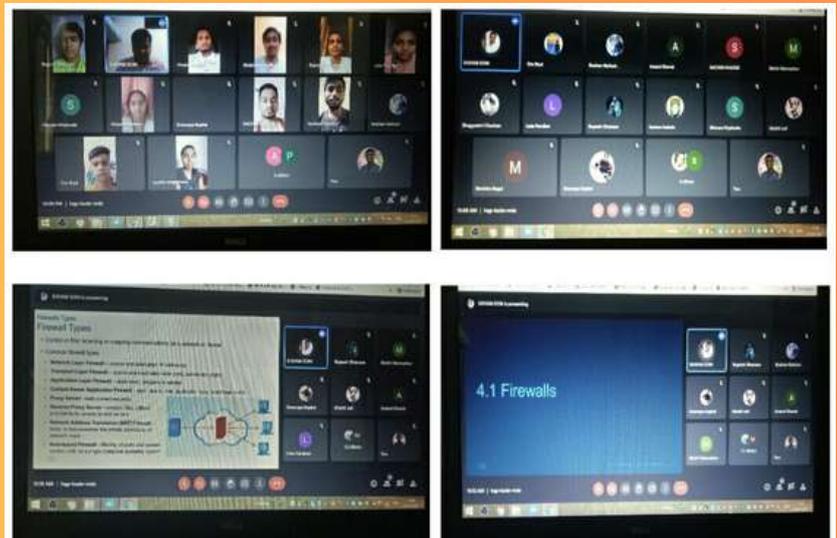

3rd Jun 2021

Today was the last day of cyber security class. Explained today exactly what care should be taken while using the internet as technology advances.

Many things were told to students and students also understood them. Students were instructed about giving exams online.

Students are being given certificates after examination.

3rd Jul 2021

Pune Pet M. R. jointly with association and Udaykal Foundation

What. Knowledge festival initiative for the sake of Ajinkya Yevale and Rameez Sheikh

27th Jan 2022

Organized by Sahaj Jalbodh Abhiyan and Udaykal Foundation

Naturebet Workshop, Organized by Pune, *to restore nature*

Offline workshop

To restore our nature *Let us literate our Maharashtra water* ! This is the same resolution was given through the easy water awareness campaign. And he wants to judge us all completely. But for this everyone needs to change their *perspective* and *habit*, not just rely on the nature guard.

Citizens need *public awareness* for *technical knowledge* to restore nature* instead of just planting trees and blocking water. One concept emerged from it, that is "Naturebet Workshop" !

उदयकाळ फाउंडेशन व सहज जलबोध अभियान मिशन 2022 अंतर्गत 'निसर्गबेट निर्माण कार्यशाळा'

निसर्गबेट म्हणजे नेहमे कावा? त्यास शास्त्रीय आधार काय आहे ? ते कसा पद्धतीने राबवावे? आजवर कुठे-कुठे असे प्रयत्न केले आहेत? याचे फायदे काय झाले आहेत? निसर्गबेट पद्धती हिच वनीकरणाची आदर्श पद्धती का आहे? या सर्व प्रश्नांची उत्तरे मिळवण्यासाठी आणि या संकल्पनेमागील संपूर्ण विज्ञान जगणून घेण्यासाठी सहज जलबोध अभियान अंतर्गत हे कार्यशाळा.

संकल्प : पुन्हा निसर्ग फुलवणे अशक्य नाही.

निसर्गबेट म्हणजे "माती-जमीन-वृक्ष-पाणी आणि सजीव" यांच्यातील समतोल साधण्यासाठीची संरचना, उपलब्ध जगोत, आपापल्या कुपटीनुसार जलसंधारण + वनीकरण = निसर्ग पुनर्रचान अन्हाला खाती आहे.

जे कुणी द्या कार्यक्रमात सहभागी होतील, ते निश्चितच इतनागदी "निसर्गबेट संकल्पना" राबविण्यासाठी मार्गदर्क उरतील.
